GRADY HEALTH SYSTEM 19th ANNUAL NEUROSCIENCE STROKE SYMPOSIUM THEME: "BACK ON TRACK!"

Friday, October 7, 2022

8:00 a.m. - 4:30 p.m.

Loudermilk Atlanta Conference Center
40 Courtland Street, Atlanta, GA 30303

It is our pleasure to present Grady's 19th Annual Neuroscience Stroke Symposium, scheduled to take place on Friday, October 7, from 8:00 a.m. - 4:30 p.m. at the Loudermilk Atlanta Conference Center.

In previous years, this one-day seminar has included more than 200 of the area's top professional nurses, as well as other healthcare professionals, and provides vital educational credits for our participants.

The theme of this year's symposium is "Back on Track!" where our speakers will discuss a variety of topics, including advancements in stroke care and rehab treatments, neurointervention care and more. Their presentations will show how medical teams providing these treatments are true healthcare heroes in the eyes of their patients.

REGISTRATION FEES

\$75 Per Registrant / \$50 Per Grady Employee Registrant

After Sept. 22, 2022, add \$10 Late Fee

Fee Includes: **FULL Day Seminar with CE Credits,
