Re: Skywalk Repair

During the latter half of the afternoon on Friday, Sept. 25, Brookwood Medical Center Drive will be closed for skywalk repair.

Repairs are slated to last until mid-December.

Please encourage your patients to access our facility via Lakeshore Drive (turn onto Brookwood Boulevard near Target).

The yellow section of the hospital parking deck will be closed throughout the duration of the project.

Shuttle service will be available at the first floor of the orange section of the visitor parking deck from 8 a.m. to 4 p.m. Mondays through Thursdays and from 8 a.m. to noon on Fridays.

As always, thank you for all you do for our hospital.
