

TRAINING ANNOUNCEMENT

Traffic Incident Management Course

Why this is important... Responders are being struck and killed at traffic incidents in the U.S. on average:

- **5** Firefighters each year
- **1** Law Enforcement Officer each month
- **1** Tow Truck Operator each week

The National TIM Responder Training Program was developed by responders for responders, and was designed to establish the foundation for and promote consistent training of all responders to achieve the three objectives of the TIM National Unified Goal (NUG):

- Responder Safety
- Safe, Quick Clearance
- Prompt, Reliable, Interoperable Communications

The TIM's course is a 6-hour course that covers material, including classroom training as well as hands-on activities. **The target audience for this course is Law Enforcement, Fire/Rescue, Emergency Medical Service, Towing and Recovery, Emergency Management, Communications, and Highway/Transportation. Seating is limited so register soon. CEU's (APOST and NREMT) are available for this course.**
