

The **CEU** professionals need.  
The **equipment** professionals demand.

## **Top Benefits of attending the EMS Today Conference**

- \* You need CEU, and EMS Today provides a potent combination of cutting-edge topics with core content sessions.
- \* Our speakers are national leaders in their respective fields and offer specialized knowledge above and beyond local or regional conferences.
- \* Network with thousands of other EMS professionals who share your same thirst for knowledge and are actively engaged in progressing their education.
- \* Each day at EMS Today is packed with learning experiences. Make sure you take advantage of all the special opportunities a national conference offers.
- \* EMS Today offers dozens of ways for you to save money on travel, hotel, registration, food, parking and much more. Take the time to explore your options! It's more affordable than you think.
- \* EMS Today will inspire you as you learn and share with other EMS professionals. You are the future of EMS, and we're honored to be part of your journey.
